Dear Sirs

We confirm to the best of our knowledge and belief and having made appropriate enquiries of other directors and officials of the company, the following representations given to you in connection with the preparation of the company's accounts for the year ended 31 March 2026.

1. We acknowledge as directors our responsibilities under the Companies Act 2006 for preparing financial statements that give a true and fair view and for making accurate representations to you as accountants.

2. We confirm that all accounting records had been made available to you for the purpose of preparing the company's accounts and that all the transactions undertaken by the company had been properly reflected and recorded in the accounting records. All other records and related information, including minutes of all management and shareholders' meetings, had been made available to you.

3. We confirm that the company had no liabilities or contingent liabilities other than those disclosed in the accounts.

4. We confirm that there have been no events since the balance sheet date that required disclosing or which would materially affect the amounts in the accounts, other than those already disclosed or included in the accounts.

5. We confirm that the company has had, at no time during the year, any arrangement, transaction or agreement to provide credit facilities (including loans, quasi-loans or credit transactions) for directors, nor to guarantee or provide security for such matters, except as disclosed in the notes to the accounts.

6. We confirm that we have disclosed to you all related party transactions relevant to the company and that we are not aware of any further related party matters that require disclosure.

7. We confirm that the company has not contracted for any capital expenditure other than as disclosed in the accounts.

8. We confirm that there is no company associated with this company for tax purposes.

   We understand that companies are associated for tax purposes if they are under the control of the same person or persons. We also understand that for this purpose a person might be treated as one and the same person as: a close relative; a business partner; a trustee of a settlement of which the person or a relative was the settlor; and any company in which any of these is also a shareholder.

9. We confirm that in our opinion the company is a going concern.

I confirm that the above representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the above representations to you.

Yours faithfully

.....

Director – Mr Peter Woodward
