Dear Colleague

Supporting victims of domestic abuse across Hampshire

Stop Domestic Abuse will be delivering the new domestic abuse victim service across Hampshire from 1 April 2019.

This new service has been commissioned by Hampshire County Council and The Office of the Police Crime Commissioner for Hampshire and the Isle of Wight. The new service integrates five elements of support for those affected by domestic abuse:

Support for victims

The Domestic Abuse Front Door

Early Intervention and Prevention

Support for children/young people and adults at risk

Links with perpetrator services

We will be working in partnership with Andover Crisis and Support Centre which will deliver victim services in The Test Valley.

We will also be working closely with The Hampton Trust, which will be delivering the commissioned perpetrator service, to ensure that the non-abusive partner is supported. Should you wish to make referrals directly to The Hampton Trust please use www.thehamptontrust.org.uk.

The Domestic Abuse Front Door will act as the first point of contact, information, advice, assessment and triage for victims, their children, perpetrators and professionals.

The new community-based services are for medium and high-risk clients. Refuge accommodation is currently available to women and children affected by domestic abuse regardless of risk.

The telephone number for The Front Door will remain the same number that is currently used for The Single Point of Contact 0330 016 5112. The new email address for referrals from 1 April 2019 is advice@stopdomesticabuse.uk and/or advice.hampshire@stopdomesticabuse.cjism.net

Please find attached a service update for clients including information about the services we provide, a copy of our general leaflet and a referral form. If you require additional leaflets please email info@stopdomesticabuse.uk.

I look forward to working with you.

Yours sincerely
