

Vaccines

Do you and your team understand how the **immune system** works and how **vaccines** make use of this?

Do you and your team know why there are **different flu** vaccines every year?

What is **herd immunity** and why is it important for people to be vaccinated?

Do you and your team understand the **R** number and what this means for **Covid-19**?

This **FREE, 20 minute** course will answer **all these questions** and more and will help the whole team to have a **better understanding** of the role they can play.
