

# NHS Flu Season 2021/22

## 21/22 flu season – Getting ready

1. NHS England have published the [PGD](#) for this year.
  - a. Please print, read, understand and sign the PGD.
  - b. Make sure any locums intending to deliver vaccinations in your pharmacy have also done so.
2. Make sure your DoC is up to date on your CPPE profile.
3. e-LfH flu modules have been updated with this year's info – you may want to use this as part of your annual refresher <https://www.e-lfh.org.uk/programmes/flu-immunisation/>
4. Virtual Outcomes flu 21 module is now available for all staff. More information and link to module can be found here <https://www.cpsc.org.uk/news/latest-cpsc-news/virtual-outcomes-latest-training-module>
5. Order any additional equipment you need to deliver the service.
6. PCN Leads – Make contact with your PCN to discuss delivery. As last year, this is a requirement of a PQS domain. PCN target for over 65s vaccinated 80-86%.
  - a. All pharmacies wishing to claim this domain will need to administer a minimum of 30 flu vaccinations to qualify for a payment.
7. No further guidance yet on co-administration with Covid booster except for housebound, care home residents.
8. New face to face training date in Southampton published – Sunday 19<sup>th</sup> September
