<https://www.letstalkaboutit.nhs.uk/other-services/patient-leaflets/>

STI Testing

Clients can be directed to www.letstalkaboutit.nhs.uk to order home STI Testing via post.

Condoms

Clients can be directed to www.letstalkaboutit.nhs.uk to order condoms via post.

Phone:

You can contact the service by calling **0300 300 2016** (8am - 8pm 7 days a week)
All calls to the Sexual Health Service taken by an NHS SPA (Single Point of Access) call centre, based at the Royal South Hants Hospital. The call handlers are able to book most Contraception & GUM appointments. For those calls that SPA are unable to deal with, messages are relayed to the service where we aim to contact patients within 7 working days.

What the service provides

The integrated sexual health service is provided by Solent NHS Trust and provides the following services:

- Advice and information on all sexual health issues
- Screening and treatment of sexually transmitted infections
- All methods of contraception including condoms
- HIV testing and follow-up care
- Emergency contraception
- Pregnancy testing
- Help and advice on unplanned pregnancy
- Safer sex advice, counselling and condoms
- Hepatitis B screening and vaccination

For professionals only

Email for clinical advice: SNHS.SexualHealthAdvice@nhs.net

Webpage <https://www.letstalkaboutit.nhs.uk/professionals/>

2. Referral to Sexual Health Service where there are concerns about an individual's vulnerability and/or wellbeing.

For professionals to refer where there are individual concerns and/or the client would benefit from further support, e.g. repeated EHC requests, under 16 and Fraser competent, under 19 and vulnerable.

Please refer using the Sexual Health Referral Form embedded in the EHC PharmOutcome template and send using the online system provided by Pinnacle Health.

The team will then make contact with the client and offer a full range of support.

Please note the Sexual Health Referral Form should not be used to refer a client for EHC.

3. Referral for Long Acting Reversible Contraception (LARC)

For patients registered with a Southampton City GP Practice ask your surgery to refer you using the Southampton Primary Care (SPCL) LARC referral form.

Further information is available at the link below
