6	Overall the meeting was excellent	5 10	4 9	3 4	2	1	Overall the meeting was very poor

PTO

7. What aspects of the meeting did you particularly like?

Presentation from external speakers
A good combination of speakers
Clear and concise. Easy to follow and understand
The relaxed feel
View from both sides
Being able to ask questions
The realisation of how confusing the process of admission to hospital and medication changes can be to patients
Possible cost savings

8. How would you improve the meeting?

9. What are the 3 key things that you have learned today?

How TCAM works
Opportunity to deliver advanced services
Improve cross functional working
Patient journey within NHS
Funding structure in NHS
Read, Ring, Report
Community pharmacy has already made a big difference with this service
Benefits to patients
How this can enhance my HLP
The cost of readmission to UHS
About discharge MURs

10. What 3 things will you now go and do as a result of today's session?

Enrol on service on pharmoutcomes
Engage whole team
Increase monitoring of pharmoutcomes
Improve consultation skills
Stay close to the project and my teams (healthcare partnership manager)
Do some CPD
Arrange a meeting with hospital pharmacists
Increase NMS uptake

11. Would you recommend these meetings to one of your colleagues? Yes No

12. Was the venue/catering satisfactory? Yes No please explain

.....

Many thanks for taking the time to complete this evaluation – it really does help us to plan future meetings.
