

DIABETES AND KIDNEYS

An online awareness talk from Diabetes UK

DATE: Tuesday 17 October 2023

TIME: 12.30 - 2.00 pm

WHERE: Zoom

Join the South East Coast and London team for an online event for people living with and affected by diabetes. You'll learn about the link between diabetes and kidney disease, how kidney disease is managed, and how it can be prevented.

We will be joined by Dr Hellena Habte-Asres, Lead Clinical Academic Research Nurse in Diabetes and Chronic Kidney Disease, London, and Andrew Freeman, Expert by Experience.
