December 2024

At the end of 2024, we would like to take this opportunity to thank our Community Pharmacies and their staff for all their hard work in supporting our patients, their families and our wider communities across Frimley Integrated Care System.

It goes without saying that 2024 has been one of the most challenging years in the NHS recent history and our pharmacy teams have played a critical part in managing demand in primary care and enhancing patient outcomes.

We celebrate the successful rollout of Pharmacy First across NHS Frimley. This achievement would not have been possible without the instrumental efforts and dedication of all involved. Your contributions have laid the groundwork for an innovative model of care that will bring benefits to our community.

Looking ahead, we are excited to collaborate further with you and our LPC colleagues to further enhance this model of care. Together, we can build on this foundation and drive even greater outcomes for those we serve.

We hope you and your families have an excellent Christmas and New Year.

Alexandra Tilley

Associate Director – Primary Care Development
NHS Frimley
Frimley Health and Care Integrated Care System

Yinka Kuye

Community Pharmacy Clinical Lead
NHS Frimley
Frimley Health and Care Integrated care System

Yousaf Ahmad
