

PRIMARY CARE CONFIDENTIAL “SAFE SPACE” ONLINE SESSIONS

Our general practice staff survey results tells us that 37% of staff experienced at least one incident of harassment, bullying or abuse from patients, service users, their relatives or other members of the public in the last 12 months

We are running three confidential ‘safe space’ online sessions for anyone in primary care (including GP, pharmacy, dentistry, optometry) to come and talk about yours and others experiences to help us shape actions for change going forward.

The sessions are taking place on:

- Wednesday 29th January 2025 (1 – 2:15pm)
- Tuesday 4th February 2025 (7 – 8pm)
- Wednesday 5th March 2025 (1 – 2:15pm)

To sign up for a session
