

## Alliance Healthcare UK is confirmed as the Solus wholesale distribution partner for Creon® (Pancreatin)

Dear Healthcare Professional,

As the marketing authorisation holder and distributor of Creon® in the UK, Viatris would like to announce that from March 1<sup>st</sup> 2025, Alliance Healthcare UK will be the sole distributor of Creon® to pharmacies, doctors and hospitals across the UK market (including Northern Ireland).

Details of the products included in this arrangement are included below:

PIP	Description	Item Size	EAN	List Price
2291847	CREON 10000 CAP	100	5099151007742	£12.93
2553436	CREON CAP 25000 TUB	100	5099151007643	£28.25
3023231	CREON MICRO GRANS	1	5012781020400	£31.50

Viатris believes this change will support the optimal distribution of Creon® to healthcare providers across the UK now and in the future.

From March 1<sup>st</sup> 2025, all orders of Creon® should be placed directly with Alliance Healthcare UK.

We understand that this change may impact your current ordering processes, and we appreciate your understanding as we transition to this new arrangement. Should you have any questions or require further information regarding this change, please do not hesitate to contact the dedicated Creon® customer support line. The Creon® customer service line can be reached via **0800 8086410**. The service will be active from Monday to Friday from 9:00 to 17:00.

Thank you for your continued partnership and support.

Yours Sincerely  
Melissa Fisher  
Country Manager  
Viатris

This email is intended for UK healthcare professionals.

### Adverse events and device failures should be reported

Please report suspected adverse drug reactions (ADRs) and device failures to the MHRA through the Yellow Card scheme. You can report via the Yellow Card website [www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard), the free Yellow Card app available from the Apple App Store or Google Play Store and some clinical IT systems (EMIS/SystemOne/Vision/MiDatabank) for healthcare professionals.

Alternatively, you can report suspected adverse drug reactions and device failures to the Yellow Card scheme by calling 0800 731 6789 for free, Monday to Friday between 9am and 5pm. You can leave a message outside of these hours. When reporting please provide as much information as possible. By reporting adverse drug reactions and device failures, you can help provide more information on the safety of this medicine. You can also report directly to the manufacturer at [pv.uk@viatris.com](mailto:pv.uk@viatris.com)
