

# Skin Rashes in Children - Module 2

## Latest FREE\* Online Course

Do you know what a **mild viral infection** is a common cause of hives in children?

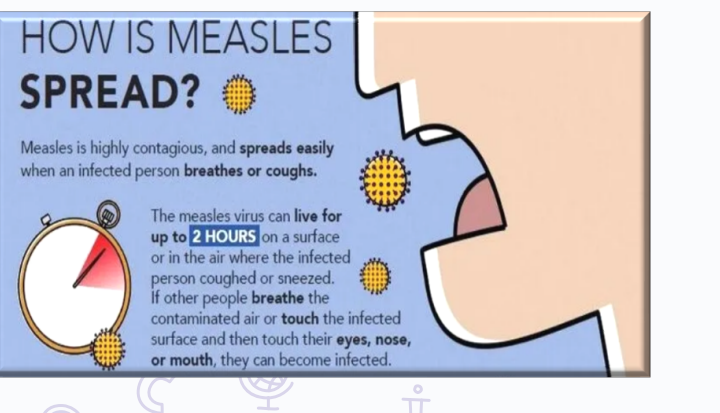

Do you know what “**chicken skin**” is and what advice you can give about it?

Do you know that **one individual** with measles can infect **15-20** other people?

Do you know what **key symptom** may help you **differentiate measles** from other flu-like illnesses (and it **not the rash or Koplik’s spots**)?

This training will answer **all** these questions and more.
