

Grab a discount when you choose to reuse!

Modern reusable period and incontinence products are hygienic, and easy to clean and reuse again and again.

You could even save money by avoiding the need to buy new products each month.

- Cut down on single use plastic with discounts of at least **15%** on reusable period and incontinence products from a range of suppliers
- Open to residents of Hampshire, Southampton and Portsmouth
- Scan the QR code for more information or visit: www.hants.gov.uk/wasteandrecycling/smartliving/reusable-period-incontinence
