Opening times

Your hours of opening form part of your contract and cannot be changed without first contacting your Regional Team prior to editing this section. Changes to supplementary hours require three months' notice. Changes to Core Hours can only be made following a successful application. Regional Teams will be made aware on a regular basis of any changes to provider profiles.

Please enter times below in the 24 hour format. For midnight use 00:00 and for midday use 12:00. Times must not overlap. For services that close at midnight please use 23:59 to avoid validation errors. Services that start at midnight please use 00:00.

Define up to 3 sets of opening times for each day using the grid below. If no ranges are defined for a given day it will automatically be displayed as "Closed".
