

Seasonal influenza vaccine by voucher scheme for Hampshire County Council eligible staff - update to service payment

Dear Provider,

I am very pleased to let you know that we have made an update to the Service Specifications for the Seasonal Influenza Vaccine for Hampshire County Council staff, increasing the payment per vaccine to £21.93. Please follow this link to download a copy of the updated specifications:

<https://www.hants.gov.uk/business/procurement/phof2019>.

All activity recorded on Pharmoutcomes since the 1st September 2020 will be paid at the new rate. If you had previously opted out of the service for this coming Flu season but would like to provide vaccinations for Hampshire County Council staff please do let me know.

Kind regards,

Natalie Garwin
