

COVID-19 Business Resilience

Community Pharmacy is facing one of the **biggest challenges** it has ever had and to support you and your team we have put together **the key messages** that you require to ensure you can **deliver care** to all your patients.

We will ensure that the training is **updated** with new information as it announced so that **you** are kept **informed**.

We will **share useful** ideas to support your team as well as ensuring that information sources **are easily** accessible in one place.

If you are not sure how to **manage your workload** or just want some more information this course is for you.
