EPS Release 4 and eRD

Many practices are already using **electronic repeat prescribing** but the number of patients is set to increase in response to COVID-19 as the NHSBSA is helping practices to **identify more patients** who could be eligible for the service.
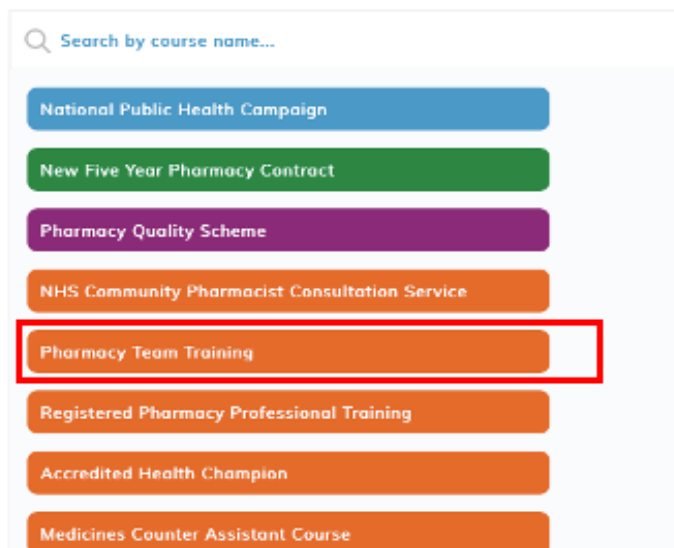

Do you and your team **understand** the differences between paper repeat dispensing and **eRD**?

Do you understand what EPS Release 4 is and **what to do** if you need to locate a prescription?
This training will help you to **understand** how eRD works and what EPS Release 4 entails as well as giving you **hints and tips.**
