

Community Pharmacy South Central (CPSC) Awards 2018

CPSC is pleased to announce the CPSC 2018 Awards to celebrate the fantastic work that community pharmacy contractors and their teams do to improve the health and wellbeing of the people of Southampton, Hampshire, Isle of Wight & Portsmouth.

The purpose of this event is to provide an opportunity for contractors and their teams to showcase examples of outstanding professional performance from those working in, and with, community pharmacy.

The Committee is eager to formally recognise and celebrate the very positive contribution that community pharmacy makes to improve the health and wellbeing of patients and customers at a time when the NHS and social care is under increasing pressure and pharmacy takes on a higher profile position as a member of the primary healthcare team.
